

Lifesaving Skills in 22 Minutes

Learn Infant CPR and what to do in a choking emergency

Laerdal's Infant CPR is a self-directed learning program designed to teach the core skills of Infant CPR and relief from choking in an infant in just 22 minutes.

Easy to learn and share with family & friends, the Infant CPR learning program is a must have for carers, parents, grandparents and others who are responsible for the care and safety of an infant.

The kit includes:

- Mini Baby CPR Learning Manikin
- Instructional DVD (Includes both CPR training and relief from choking)
- Fold Out Quick Reference guides - wallet and poster size
- Practice phone
- Manikin Wipes (2)
- Mini Baby spare lung (2)
- Directions For Use and cleaning instructions are printed inside the box
