ValuePlus™ Service Programs

For the ultimate in product protection, we have created the **ValuePlus Service Programs** (for SimMan® 3G, SimMan®, SimNewB™ and SimBaby™). These Laerdal ValuePlus Service Programs have been designed to maximize customer value while providing the needed flexibility.

When you purchase a ValuePlus Service Program with your new simulator, you will receive extended warranty and preventative maintenance services, and loaner equipment when needed. In addition you will receive discounts when purchasing programs for consecutive years of coverage. ValuePlus is available as 2, 3, or 5-year options.

Rest assured that all your product support needs will be met with our ValuePlus Service Programs.
